THIS SIDE OF CARD IS FOR ADDRESS

Mr. Sam Bank,
Army Store,
Tuscaloosa, Ala.

Dear Daddy: Monday nite-

I got your card today, and cannot understand what is the matter with the car. Did you put another water pump on the car? I didn't think it needed it. Did you have the battery charged? I just had it charged in Tampa! I hope you don't have any more trouble with it. It got cold here yesterday, and it snowed a few minutes. I hope it don't get any colder. I guess Mother and Aunt Annie are having a good schmooshing party. I wish she would send me some of those cinimon rolls. Don't walk too much on those hikes with the defense guards. You can see why I don't like those hikes now. Huh? But I can take it! Tell all hello, and write soon.

Love, Harold
